**To whom it may concern,**

**I would like to take an opportunity to offer a formal recommendation for Springer Company and its machinery.**

**We are involved with Springer Co. since approximately three years, and I would describe our co-operation as highly professional and helpful in matter of outlaying our factory.**

**Springer Co. supplied us with machines for food processing and equipment for smoking including high quality woodchips**

**We did not experienced any difficulties nor faults while operating mentioned machinery. Those purchases greatly increased production output and efficiency of our company.**

**Yours sincerely,**
